## **DETAILED ACTION**

### ***Specification***

The objections to the specification, outlined in the previous Office Action, have been overcome by applicant's amendment. The amendment provides the parentage of the application and deletes the structures which appear on pages 30-34 and submits them as formal drawings.

### ***Drawings***

Drawings were received on 5/16/07. These drawings are acceptable.

### ***112 Rejections Withdrawn***

The rejection of claims 1-10 under 35 USC 112, second paragraph, outlined in the previous Office Action, has been overcome by applicant's amendment. With respect to claim 1, the amendment clarifies the claim as appropriate. (See also the 5/11/07 Interview Summary.) With respect to the remaining claims, the rejection is moot.

### ***Allowable Subject Matter***

Claims 1-10 are allowed for reasons of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably
